# Bestelling plaatsen

Contrary to popular belief, Lorem Ipsum is not simply random text. It has roots in a piece of classical Latin literature from 45 BC, making it over 2000 years old. Richard McClintock, a Latin professor at Hampden-Sydney College in Virginia, looked up one of the more obscure Latin words, consectetur, from a Lorem Ipsum passage, and going through the cites of the word in classical literature, discovered the undoubtable source. Lorem Ipsum comes from sections 1.10.32 and 1.10.33 of "de Finibus Bonorum et Malorum" (The Extremes of Good and Evil) by Cicero, written in 45 BC. This book is a treatise on the theory of ethics, very popular during the Renaissance. The first line of Lorem Ipsum, "Lorem ipsum dolor sit amet..", comes from a line in section 1.10.32.

The screenshot shows a web application interface. At the top left is the 'MEXT' logo. A navigation menu includes 'Bestellungen', 'Termine', 'Standorte', 'Artikel' (highlighted), 'Verbrauch', 'Vorfälle', 'Benutzer', and 'Admin'. On the top right, there is a 'ProFunctional' label and a dropdown menu showing 'HAVEN ANTWERPEN-BRUGGE VA...'. Below the navigation, there are two tabs: 'Pro Standort' (selected) and 'Pro Artikel'. The main content area is titled 'Artikel pro Standort' with the subtitle 'Eine Übersicht Ihrer Artikel'. It features a search bar with the text 'Suchen...' and an 'EXPORTIEREN' button with a dropdown arrow. A filter dropdown is set to 'Firma' and '-- Alle'. Below this is a table with columns: 'STANDORT', 'NAME', 'MENGE', 'VERFOLGUNG', and 'ABLAUFDATUM'. The table is currently empty, displaying the message 'Keine Ergebnisse gefunden'.

There are many variations of passages of Lorem Ipsum available, but the majority have suffered alteration in some form, by injected humour, or rand

**Lorem Ipsum** is simply dummy text of the printing and typesetting industry. Lorem Ipsum has been the industry's standard dummy text ever since the 1500s, when an unknown printer took a galley of type and scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was popularised in the 1960s with the release of Letraset sheets containing Lorem Ipsum passages, and more recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum.
